JOB APPLICATION

Bracker's Good Earth Clays, Inc. (Formerly Bracker Ceramics) is a retail and wholesale ceramics supplier, however prior knowledge of clay is not necessary for this position. Approximately 30% of our business is in-store customers, 40% is shipped via LTL freight companies, and 30% is delivered by company vehicle in about a 250 mile radius. These figures will fluctuate greatly during the year. Some of the duties for warehouse personnel include building orders, using a forklift or pallet jack for shipping and receiving, delivering orders in company vehicles, interacting with customers when loading or delivering orders, and completing work and staying on task unsupervised. Duties are varied and the ability to learn quickly and to retain that knowledge is necessary. Prior forklift experience (or experience with other powered warehouse equipment) is helpful, but not a prerequisite for hiring.

If you are applying for a delivery driver position, a valid driver's license and a good driving record are necessary for employment in this position. Please fill out the fields identified in red. If you're not applying as a driver, do NOT fill out these fields. If called for an interview for a delivery driver position, please bring a copy of your driving record from the previous three years. Employees in the delivery driver position will be required to pass a physical and have their driving record approved by our insurance company as condition of employment. PLEASE ASK FOR ADDITIONAL PAPER IF YOU NEED MORE SPACE TO COMPLETE THIS APPLICATION INSTEAD OF OMITTING PERTINENT EMPLOYMENT OR EDUCATIONAL HISTORY.

DISCLAIMERS: 1. Employment at Bracker's Good Earth Clays, Inc. is considered AT WILL EMPLOYMENT and can be ended at any time and for any or no reason. 2. Falsification or omission of any information on this application can lead to refusal to hire or to discharge. 3. Signing this applications gives Bracker's Good Earth Clays, Inc., consent to check references, verify information, and obtain reports from consumer reporting agencies. This consent also allows us to speak freely with former employers about your previous work experiences without liability.

Additional informational notes to applicants:

1. The name "Bracker" rhymes with "rocker," not "cracker"
2. We prefer to use the symbol # to indicate pounds, not lbs, which can easily look like 105.
3. Basic math can be important. For example, a ton weighs 2000 pounds
4. A box of moist clay weighs 50 pounds, therefore a ton of moist clay is 40 boxes
5. Attention to detail is *very* important
6. If called in to an interview, presentable casual clothing is preferred (jeans & t-shirt okay, but please make sure they are clean and not offensive - in hot weather, shorts are fine, too)
